PARTNERSHIP OPPORTUNITIES

For 13 years, the Boca Chamber's Community Cookout has been a signature community tradition where families, businesses, and local organizations come together in a way that feels genuine and welcoming. As the Chamber's reach has grown across Boca Raton, Boynton Beach, and South Palm Beach County, the Cookout has grown with it, now welcoming more than 400 families to the YMCA of South Palm Beach County for an afternoon built around connection, family time, and community pride.

The addition of the Chili Cook-Off brings new energy to the event, creating reasons for families to stay longer, engage more deeply, and return year after year, while still preserving the heart of what has made this gathering successful from the beginning. Sponsoring the Community Cookout offers organizations more than visibility, it offers the opportunity to be part of a long-standing Chamber initiative that strengthens relationships, supports families, and reinforces an organization's commitment to the communities it serves throughout South Palm Beach County.
